Department of Communication Studies
Moi University

ADMINISTRATIVE POSITIONS:

- 2012 to Date - **Director Scale 15**
Privately Sponsored Students Program (PSSP)
Rongo University

DUTIES AND RESPONSIBILITIES AS DIRECTOR PSSP

- Advising the Vice Chancellor of the University being a Member of the University College Management Board on day to day operations and management of the University.
- Responsible to the Vice Chancellor for the general administration of all functions pertaining to management of the Privately Sponsored Students Programmes.
- Ensuring steady growth and sustainability of the programme through aggressive marketing and publicity.
- Developing policies and Strategic Plans for the management of privately sponsored students programme.
- Ensuring smooth operations of the privately sponsored students program by facilitating admission of students, in liaison with the Deputy Vice Chancellor in charge of Academic and Student Affairs and Deans of Schools.
- Facilitating provision of necessary resources for the operation of the PSSP programme in liaison with the Deputy Vice Chancellor in charge of Administration, Finance and Planning, Finance Officer and the Vice Chancellor.
- Providing regular briefs to the Vice Chancellor on PSSP issues.

- Coordinating all ICT functions, the University Website and connectivity in the University.

SOME KEY ACHIEVEMENTS AS DIRECTOR PSSP

- **Spearheading growth and development** of PSSP student enrolment at the University from a very humble figure of 475 on appointment.
- **Spearheading the expansion** of University through establishment of Learning Centers at Rongo Town.
- **Streamlining fee collection** by the University from PSSP students thereby reducing the huge level of non-collection of fees as was the case before.
- **Negotiating with various CDF Committees**, Members of the County Assembly and Members of Parliament to support poor/needy students from their constituencies to Rongo University.
- **Spearheading University marketing**, publicity and exhibition activities to attract more students and portray Rongo University as a desired and preferred destination for teaching and learning in Kenya and abroad.
- **Economic growth in the region**. With the spread of the University through the Learning Centers, economic growth and empowerment has been realized through the market provided by students and staff.
- **Support for exchequer grants** through Appropriation –in-Aid. The Directorate has been able to substantially support the wage bill and other capital development endeavors of the University through increased funding to the University.
- **Purchase of facilities** i.e. Prime Land in Rongo Town and other equipment such as vehicles and machinery to support student learning experiences through PSSP funds.
- **Provision of funds** to construct new facilities at Main Campus such as Science Laboratories, University Clinic, and renovation of old facilities to support teaching, students’ life, administration and learning.

2012 to 2015: **Acting Director of ICT**
Rongo University

SOME KEY ACHIEVEMENTS AS ACTING HEAD OF ICT

- **Setting up an ICT system** for the University from scratch
- **Developing** a vibrant University Website
- **Spearheading the setting up of ICT** Unit and recruitment of ICT staff
- **Setting up ICT laboratories** for staff and students usage at Main Campus and Rongo Learning Centres

- **Spearheading the automation** of information management systems in finance, admissions and examination sections within the University
- **Setting up the Bulk SMS system** for easy, efficient and cost effective communication with students-**The 1st of its kind in public universities**
- **Spearheading online access** and downloading of admission letters and other joining instructions by KUCCPS admitted students thereby increasing efficiency and drastically reducing advertising and postage costs to the University -**The 2nd public university to do so after Technical University of Kenya**
- **Spearheading automation in the Library** through provision of online journals and E-books to students and staff
- Installation and Configuration of P to P network interface for Main and Rongo Town campuses
- Spearheading Online student registration for examinations
